**Is the NSA Conducting Electronic Warfare On Americans?**

Jonas Holmes May 19, 2006

**CHRONICLE ARTICLE** See infowars.com and whistleblowers.com

**Russ Tice**, former NSA intelligence officer and current Whistleblower, was to testify before the Senate Armed Services Committee this week. Apparently the testimony, Mr. Tice wanted to give, makes General Hayden's phone surveillance program **look like very small potatoes**. Mr. Tice's testimony is expected to reveal further illegal activity overseen by General Michael Hayden which even loyal and patriotic NSA employees view as unlawful. I think the people I talk to next week are going to be shocked when I tell them what I have to tell them. **IT'S PRETTY HARD TO BELIEVE**, Tice said. I hope that they'll clean up the abuses and have some oversight into these programs, which doesn't exist right now. According to Mr. Tice, what has been disclosed so far is only the **tip of the iceberg**. What in the world could Russ Tice be talking about! To figure it out let us take a look at Russ Tice's work at the NSA.

According to the Washington Times and **numerous other** sources, Mr. Tice worked on special access programs related to electronic intelligence gathering while working for the NSA and DIA, where he took part in space systems communications, non-communications signals, electronic warfare, satellite control, telemetry, sensors, and special capability systems. Special Access Programs or SAPs refer to **Black Budgets** or Black Operations. Black means that they are covert and hidden from everyone except the participants. Feasibly there would be no arena with a greater potential for abuse and misuse than Special Access Programs. Even now Congress and the Justice Department are being denied the ability to investigate these programs because they don't have clearance. To put it in CNN's Jack Cafferty's words a top secret government agency, the NSA, the largest of its kind in the world, is denying oversight or investigation by the American people because **investigators lack clearance**. To add a layer of irony to the Black Ops cake this travesty is occurring in America, the supposed bastion of Freedom and Democracy, which we are currently trying to export to Iraq.

**It just gets scarier**. The **Black Ops** that Mr. Tice was involved in related to electronic intelligence gathering via space systems communications, non-communications signals, electronic warfare, satellite control, telemetry, sensors, and special capability systems. For greater insight as to the impact of these programs readers should review decades old FOIA authenticated programs such as **MKULTRA, BLUEBIRD, COINTELPRO and ARTICHOKE**. **Radar based Telemetry involves the ability to see through walls** without thermal imaging. Electronic Warfare is even **scarier** if we take a look at the science. NSA Signals Intelligence Use of EMF Brain Stimulation. NSA Signals Intelligence uses EMF Brain Stimulation for Remote Neural Monitoring (RNM) and Electronic Brain Link (EBL). EMF Brain Stimulation has been in development since the MKUltra program of the early 1950's, which included neurological research into "radiation" (non-ionizing EMF) and bioelectric research and development. The resulting secret technology is categorized at the National Security Archives as "Radiation Intelligence," defined as "information from unintentionally emanated electromagnetic waves in the environment, not including radioactivity or nuclear detonation." Signals Intelligence implemented and kept this technology secret in the same manner as other electronic warfare programs of the U.S. government. The NSA monitors available information about this technology and withholds scientific research from the public. **There are also international intelligence agency agreements to keep this technology secret.**

The NSA has proprietary electronic equipment that analyzes electrical activity in humans from a distance. NSA computer-generated brain mapping can continuously monitor all the electrical activity in the brain continuously. The NSA records and decodes individual brain maps (of hundreds of thousands of persons) for national security purposes. EMF Brain Stimulation is also secretly used by the military for Brain-to-computer link. (In military fighter aircraft, for example.) For electronic surveillance purposes electrical activity in the speech center of the brain can be translated into the subject's verbal thoughts. RNM can send encoded signals to the brain's auditory cortex thus allowing audio communication direct to the brain (bypassing the ears). **NSA operatives can use this to covertly debilitate subjects by simulating auditory hallucinations characteristic of paranoid schizophrenia.** Without any contact with the subject, **Remote Neural Monitoring can map out electrical activity** from the visual cortex of a subject's brain and show images from the subject's brain on a video monitor. NSA operatives see what the surveillance subject's eyes are seeing. Visual memory can also be seen. RNM can send images direct to the visual cortex, bypassing the

eyes and optic nerves. NSA operatives can use this to surreptitiously put images in a surveillance subject's brain while they are in R.E.M. sleep for brain-programming purposes. Individual citizens occasionally targeted for surveillance by independently operating NSA personnel

**NSA personnel can control the lives of hundreds of thousands of individuals in the U.S. by using the NSA's domestic intelligence network and cover businesses.** The operations independently run by them can sometimes go beyond the bounds of law. Long-term control and **sabotage of tens of thousands of unwitting citizens** by NSA operatives is likely to happen. NSA Domint has the ability to covertly **assassinate** U.S. citizens or run **covert psychological** control operations to cause subjects to be diagnosed **with ill mental health**. National Security Agency Signals Intelligence Electronic Brain Link Technology NSA SigInt can remotely detect, identify and monitor a person's bioelectric fields. The NSA's Signals Intelligence has the proprietary ability to remotely and non-invasively monitor information in the human brain by digitally decoding the evoked potentials in the 30-50 hz,.5 milliwatt electro-magnetic emissions from the brain. Neuronal activity in the brain creates a shifting electrical pattern that has a shifting magnetic flux. This magnetic flux puts out a constant 30-50 hz, .5 milliwatt electromagnetic (EMF) wave. Contained in the electromagnetic emission from the brain are spikes and patterns called "evoked potentials."

**Every thought, reaction,** motor command, auditory event, and visual image in the brain has a corresponding "evoked potential" or set of "evoked potentials." The EMF emission from the brain can be decoded into the **current thoughts, images and sounds** in the subject's brain.

NSA SigInt uses **EMF-transmitted Brain Stimulation as a communications system to transmit information (as well as nervous system messages) to intelligence agents and also to transmit to the brains of covert operations subjects (on a non-perceptible level).**

EMF Brain Stimulation works by sending a complexly coded and pulsed electromagnetic signal to trigger evoked potentials (events) in the brain, thereby forming sound and visual images in the brain's neural circuits. EMF Brain Stimulation can also change a person's brain-states and affect **motor control**. Two-way Electronic Brain-Link is done by remotely monitoring neural audio-visual information while transmitting sound to the auditory cortex (bypassing the ears) and transmitting faint images to the visual cortex (bypassing the optic nerves and eyes, the images appear as floating 2-D screens in the brain). Two-Way Electronic Brain Link has become the ultimate communications system for CIA/NSA personnel. Remote Neural Monitoring (RNM, remotely monitoring bioelectric information in the human brain) has become the ultimate surveillance system. It is used by a limited number of agents in the U.S. Intelligence Community. RNM requires decoding the resonance frequency of each specific brain area. That frequency is then modulated in order to impose information in That specific brain area. The frequency to which the various brain areas respond varies from 3 Hz to 50 Hz. Only NSA Signals Intelligence modulates signals in this frequency band.

An example of EMF Brain Stimulation:	Brain Area
Bioelectric Resonance Frequency	Information Induced Through Modulation
Motor Control Cortex 10 HZ	<b>Motor Impulse Co-ordination</b>
Auditory Cortex 15 HZ	Sound which bypasses the ears
Visual Cortex 25 HZ	Images in the brain, bypassing the eyes
Somatosensory Cortex 09 HZ	<b>Phantom</b> Touch Sense
Thought Center 20 HZ	<b>Imposed Subconscious Thoughts</b>

This modulated information can be put into the brain at varying intensities from **subliminal** to perceptible. Each person's brain has a unique set of bioelectric resonance/entrainment frequencies. Sending audio information to a person's brain at the frequency of another person's auditory cortex would result in that audio information not being perceived. Additionally, A 1994 congressional hearing reported that nearly half a million Americans were subjected to some kind of cold war era tests, often without being informed and without their consent. In addition, experimentation law is well grounded in constitutional and international law. **It is an under-reported fact that two major reports on human rights and torture in the U.S.**

recently listed illegal radiation experiments. Many more facts are documented below. Therefore, human research subject protections should be a high priority and are just as **significant as current issues of torture and illegal wiretapping**. It is time for America to wake up. It is time for America to protect its Whistleblowers who are our last line of defense against dictatorship and **despotism**. It is time for America to take responsibility for oversight of its tax dollars and elect leaders who will assume such responsibility now. Yes, the war on terrorism is important. It is even more important **and fearful if the terrorism is from within and unknowingly funded by hard working American citizens**. There is no Special Access Program beyond the oversight of political leaders elected by the people and for the people. If these political leaders jeopardize national security then that shall be handled in a court of law. But to tell America, to tell the American people, to tell the political leaders elected by the American people that America does not deserve to know what happening in the NSA's dark, black rooms, with billions of dollars, behind closed doors, when we know that privilege has already been abused; that is the true definition of terrorism. That is the true definition of **Communism and a Police State**, no oversight. So fellow Americans, you may hem and haw in the face of truth but know that one day you will realize that your **country has been usurped** from the very principles upon which it was founded. **Godspeed, Russ Tice, the Patriots are with you.**

CIA Richard Barlow's SSP case involved four administrations: Reagan, George H.W. Bush, Clinton, and George W. Bush. The case involved both parties; Democrats & Republicans. When I contacted Mr. Barlow and

asked for his view on the troubling trend by the media and Congress in packaging SSP related information to mislead the public and destroy any chance of reform, this is what he had to say: "Long before the Congress even begins to address issues relating to the use of SSP in court cases involving private charities, foreigners, suspected terrorists, or any private parties, it clearly needs to first address the use of SSP by the Executive Branch to conceal crimes, abuses, or fraud by the Executive Branch against the Congress itself or against federal intelligence officers or other federal employees [who] are the victims, and especially when it involves issues [of] Congress being lied to or willfully misled regarding intelligence information." He then added the following: "The media must go further than merely reporting the actions and inactions of Congress and the courts: we need investigative reporting on why the Congress has failed to address cover-ups of illegal activity by the Executive Branch and what Members of Congress are responsible for this abdication of Constitutional responsibility, particularly if Obama continues to break his campaign promises on SSP and follow in the footsteps of Bush on this and other national security matters."

### **Domestic Surveillance-Wiretapping**

**Harper's Magazine Article:** This administration did more than commit crimes. It waged war against the law itself. It transformed the Justice Department into a vehicle for voter suppression, and it also summarily dismissed the U.S. attorneys who attempted to investigate its wrongdoing. It issued wartime contracts to substandard vendors with inside connections, and it also defunded efforts to police their performance. It spied on church groups and political protesters, and it also introduced a sweeping surveillance program that was so clearly illegal that virtually the entire senior echelon of the Justice Department threatened to (but did not in fact) tender their resignations over it. It waged an illegal and disastrous war, and it did so by falsely representing to Congress and to the American public nearly every piece of intelligence it had on Iraq. And through it all, as if to underscore its contempt for any authority but its own, the administration issued more

than a hundred carefully crafted “signing statements” that raised pervasive doubt about whether the president would even accede to bills that he himself had signed into law. No prior administration has been so systematically or so brazenly lawless. Yet it is no simple matter to prosecute a former president or his senior officers. There is no precedent for such a prosecution, and even if there was, the very breadth and audacity of the administration’s activities would make the process so complex as to defy systems of justice far less fragmented than our own.

With CIA programming techniques, Military patented Directed Energy Weapons, and NASA Physicist technology software, INCLUDING WOODPECKER scalar waves with Russia and China airwaves intercepted by HAARP satellites, electronic hypnosis and much more medical modalities not approved by FDA. Being used on Civilians nefariously, as a subject of FBI/CIA COINTELPRO mind control, and a witness of US Gov’t corruptions. NLP with electronic hypnosis transmissions to anyone at anytime without NSA wiretapping. This is the making of many fake illnesses, FBI paranoia, and KINESTETICS Eugenics, ALIENS, and MUCH MORE; that did not exist before these weapons or mind control in Gov’t hands of the corrupt level. Mind controlled public has been in place against this truth and doubt has been **created and pre-empted** with ADDED false news **chaos, whitewashing and cover-ups**. From crime hysterias in the 70’s and squashing the REAL legitimate fears of mind control, scapegoating as mental illness, to Fake Terrorist fears, etc.

Exposing **evil Gov’t psyops** using modern medicine suppressed by FDA and Shadow Gov’t for decades, leading to New World Order of Fascism and massive Covert Control. Psychotronics and **Synthetic** Telepathy, New Pentagon Buzz Words, with transmitted hypnotic suggestions on individuals UNAWARE as if their OWN thought process and **guided** in life events. I have been continuously threatened not to come forward. I know THIS IS WHERE YOU WILL FIND TRILLIONS \$, not just overt defense. FOLLOWING THE MONEY TRAIL IN SECRET DEFENSE BUDGETS SHOULD LEAD TO EMPLOYEES AND EQUIPMENT! AN INVESTIGATION IS IN EXTREME WARRANT.

**Blocking their exposure in many ways including electronic & physical delivery, mental gag orders, fears, tricks, censorship**s, excuses, sabotage, threats, BUILDING DISCREDIT/SLANDER, FALSE CHARACTER, AND FALSE RECORDS, over time, etc of this evil to warn and publicize. Mind games and tricks to never read or believe a mind-controlled audience, as we are all covertly spied on 24/7 and manipulated one way or another. Big Brother has been watching and manipulating for decades. No one needs to physically torture when mind control suggestions to bring the truth to surface in time plays in the **Detainment** of prisoners who produced no results and is known by CIA and Habeas Corpus LAW used covertly. More cover ups, opposite news **producing** propaganda for public display and diversion of THE INSIDE JOB and innocent detainees. CLEVER! The conditioning of the public with epidemics is called chunking to prepare population and HOAXES. To create FASCISM and feed the public with a vaccine disgrace. CORRUPTING new SCIENCE emerging and TECHNOLOGY with false information, **shifting focus** where it belongs, and other brainwashing tactics. [The GOVT’S MANY CREATIONS for WASTING TIME and creating CHAOS, MISTAKES, communication mind games, smoke screens, scapegoats, etc.](#) Especially when terrorism is staged over decades & mind control weapons for this COUP D’ETAT, & mind controlled corruptions of AMERICAN **synthetically induced** crimes & illnesses. Washington in its own bubble, and the rest of the country sees and lives the issues in a realistic unprotected corrupted environment. It is the responsibility of Congress and DOJ/AG to address this, warn the people, and stop it in any way and all ways possible with courage and efficacy. I have been trying to inform everyone what Sibel Edmonds and others have been involved in. Claiming that Congress and the House should know what is going on regardless of National Secret excuses to cover up and suppress the corruption. This has been mass control in the making for 50 years of these weapons used nefariously and successfully kept from exposing for decades with defense of mental illness, corporate scapegoats, creating doubts, creating illusions, suspending individual hysteria/panic since Pandora’s Box in the early 70’s, transmitting paranoia to the American

people on crimes, along with tangible and created/induced crimes, and so much more. This is how they have been able to get away with it for 50 years to take over globally the AGENDA for another 50 years or so. THE SECRET DEFENSE BUDGET WILL LEAD AND PROVE TO THESE MISFITS ON PAYROLL IN THE PENTAGON AND/OR BOHEMIAN GROVE. THEY ARE MIND CONTROLLED CHILDREN KIDNAPPED AND SUSPENDED SENSES INTO SOCIOPATHS AS MILITARY SOLDIERS AND COPYCAT CRIMES ON OUR STREETS. These **imaginary weapons** create **imaginary friends** in our children. Too many people are coming forward with the uses of these weapons. Disbelief and covering up and pointing fingers at everyone else but themselves.

In reading the articles about other cases in politics and in the DOJ, I find that NSA BOB GRAHAM and NANCY PELOSI, SYBEL EDMONDS, and so many more high profile individuals, are all issues of hypnotic NLP mind games and transmitted thoughts to MIS-COMMUNICATE as if natural errors, and with double thoughts injected into 2 different parties on the phone or in person. I stated in my facts of the bearing false WITNESS, and everyone pointing the finger at someone else, thus making LIARS SEEMINGLY of truth tellers, & how that is accomplished with TICE whistle blowing of these thoughts called synthetic hallucinations & the crimes & set ups by people especially neighbors, work disputes, and much more ACROSS AMERICA.

These budget INVESTIGATIONS should most definitely **INCLUDE SECRET DEFENSE AND PAST** research and uses from all the **PROJECTS on mind control** obsessions by the CIA squashed at the beginning of the conspiracies. RESTRUCTURING THE BANKS WAS ONLY TO TAKE THEM AWAY FROM THE JEWS AND MIND CONTROLLED THEM TO INDUCE CRIMINAL ACTIVITIES ALONG THE WAY TO CATCH THEM AS THE AGENDA WITH OTHER NEW WORLD ORDER CONSPIRACIES TO COME. This is how they performed the police crimes in the U.S. with all major cities experiments in the 70's.

While the details are unknown, [credible evidence indicates](#) that billions of everyday communications of ordinary Americans are swept up by government computers and run through a process that includes both data-mining and review of content, to try to figure out whether any of us were involved in illegal or terrorist-related activity. That means that even the most personal and private of our electronic communications - between **doctors and patients, between husbands and wives, or between children and parents** - are subject to review by computer algorithms programmed by government bureaucrats or by the bureaucrats themselves.

The white rose II-Certified hypnotist trained in CIA created NLP techniques with NASA technology & military patents, with first hand knowledge and experience and blocked to expose for 2 years. **TALK ABOUT IT!**
